

Allero

Textured Vinyl Shield Coated Frame

Give yourself and your family a lifetime of memories in the comfort of your home.

Allero

The Allero Hot-Dipped Galvanized Steel Frame is reinforced with layers of Copper Bearing Alloy, Alkaline Cleaned Zinc Bonderized Coating and a Chromic Seal. On the exterior side a thick Textured Vinyl Shield weather coating adds extra protection to the pool frame.

The Allero wall is built with the same Hot-Dipped Galvanized Steel material and layers as the frame with the addition of a Primer and a All Weather Enamel Painted Protective Coating. On the exterior side of the wall a Textured Crystex® Coat Sealant adds protection to all weather conditions.

Stainless steel hardware for extended life and high strength fasteners where required.

Covers: 8" Molded resin top covers and bottom pedestal.

Ledges: Heavy duty steel 8" gray vinyl coated roll-formed ledges.

Verticals: Column type steel 6" wide gray vinyl coated verticals.

Rails: 1" steel universal resin coated rails.

Plates: Universal resin coated top and bottom steel plates.

40Year Limited Warranty
First 3 seasons no charge for parts

With today's hectic lifestyle, an above ground pool is a great way to pull family and friends together. This quality time creates a lifetime of memories.

An above ground pool in your backyard gives you and your family the freedom to use it anytime day or night. Your backyard oasis eliminates driving to the local pool, buying yearly passes, or waiting in long lines at busy water parks. Most important, is the luxury of enjoying your pool in the safety and comfort of your home.
